- ✓ no added sugars – sugars naturally occur in the ingredients
- ✓ no added dairy products
- ✓ no added flavouring, preservatives¹, colouring agents¹, thickening agents²

¹ as required by law ² if liquid separates, please stir

How it is eaten:

When first introducing weaning food. Start with a few spoonfuls before the milkfeed, increase the amount slowly. Then as a dessert or as an addition to pap. Take out the required amount, keep the rest closed in the refrigerator and use it up within three days. Please use plastic spoons.

Please make sure the jar is undamaged before using it. Safety vacuum seal; lid clicks when opened for the first time.
